SUMMIT GROVE CAMP, NEW FREEDOM, PA

TABERNACLE-2023

Join us for 50 hours of praise and worship over the Feast of Sukkot!

This is a Festival of His Presence!

For 4 years we have gathered at Summit Grove Camp to create a confluence for all the streams across Pennsylvania to flow into one mighty river. Tabernacle has become the yearly meeting place for the PA HOP NET family to come together to sing, dance, play, and be refreshed in the river of His presence. Our key speaker this year is Ken Eberly.

Ken established and directed the first HOP in Reading PA over 22 years ago.

Summit Grove Camp has hosted the presence of God for hundreds of years.

It's rich history includes the Circuit Riders, the underground railroad, and many revival meetings where thousands of people came weekly to encounter God.

There are 22 hotel style lodge rooms, 10 motel rooms, camper hookup sites and tenting sites available for you to stay with us for the entire event.
