### SOMETHING NEW

In conjunction with Church Coach Ministries, a video about Summit Grove was made this summer. We would love for churches to host a Summit Grove Sunday to help raise awareness of the ministries of SGC. This will be an important key to increasing participation and support. We are also planning a benefit concert in the spring featuring Aaron Shust. Keep an eye out for more details.

We are excited about the future of Summit Grove! We are seeking God's best for the next chapter in the life and ministry of SGC. Please stand with us in prayer!

### COVERED IN PRAYER

What once was a summer office long ago has now been revitalized by volunteers into Summit Grove's very own prayer chapel.

Additionally, a Prayer Team has been started. To pray for the specific requests of the camp, please email the Prayer Team with your name and email address.

### Calling All Volunteers!

With the recent staff changes, we really could use your help! Yard work, organizing, cleaning, and moving large items are just a few of the ways you or your group could lend a hand. All ages & areas of experience are welcome! Please use the volunteer link or contact the office for more information.

We hope to see you around!
