YOUTH RETREAT FEEDBACK

Here's what the leaders liked:

“The fellowship among ourselves and other churches, the snacks, the worship and the teaching about Jesus.”

“It was an amazing weekend! Our students had a great time. We really liked the Snow Tubing of course, it is so nice to have Summit Grove so close to Avalanche Express. We also really liked the worship times, I thought Ricardo was excellent at leading worship, I loved his passion and excitement for Jesus.”

GET ON BOARD!

God has blessed many people at Summit Grove throughout its history, and we anticipate many more will be. However, to continue camp ministry here we recognize we cannot do this without partners like you. Our operational fund drive Get On Board, is under way right now. Would you prayerfully consider if giving monthly or annually would work best for you? Check out how Summit Grove has a legacy of serving in the link below. You won't want to miss the pictures and story written by one of our new Board members, Tim Keller!

Greetings from the Board of Directors

As the days grow longer and the temperature rises ever so slightly our thoughts turn to the summer camping season. I want to report that work is already underway to hit the ground running for the summer season. The Board is working diligently on the search for the next executive director. Several resumes have been received and we are continuing to welcome new ones. We have weathered both a tough winter and a very lean financial season. The Board is meeting this month to discuss methods of stabilizing the financial footing of the Camp while continuing to offer a wide variety of high-quality programs that serve the community as well as the E PA and the Mid-Atlantic Districts.

Please pray for the Board that we will have divine wisdom to lead well and pray for the staff as the work load heats up even before the weather does.

Doug Conley,
Chairman
