## 2024 THEME

The journey of the follower of Jesus is a journey to becoming more like Him. However, inherent in the call to be more like Jesus is the need to change, and that's work that we can't do on our own. Engaging both the incredible power and the practical workings of the third person of the Trinity, we will look at what it will take for us to be more like Jesus.

## BIBLE HOUR

Matthew York of Faith Alliance Church will be teaching the Morning Bible Hour. 613 is a rather large number! Actually it's the number of commands in the Old Testament. We are going to see how Jesus whittled 613 into the two most important things God has ever said to his people. Join us for Love Your Neighbor.

## SPEAKERS

### BRIAN KANNEL

Brian Kannel has served in various pastoral roles at York Alliance Church since 2002 and has served as the Lead Pastor since 2010. Prior to vocational ministry, Brian worked in merchandising and design for a large department store chain. He is married to Amanda and they have four kids at various stages of high school, college, and graduate school. Brian's passions in ministry revolve around what it means to practice the way of Jesus and be intentionally formed to be like Him, which leads into areas like discipleship, leadership development, and mission. In the unlikely event of having free time, Brian loves to read books, ride bicycles, and eat buffalo wings... which should not be attempted at the same time.

### MATTHEW YORK
